Announcing BMA's

PACE II

(Payment Attitudes Change Evaluation II)

Could you use some hard facts about the consumer and EFTS?

PACE II can help you make those difficult decisions about EFTS. This study, conducted among 3,000 households throughout the U.S., reveals the consumer's perceptions of the benefits and his concerns about:

- Automated Teller Machines
- Direct Deposit of Payroll
- Point of Sale Services
- Bill-paying Services

This publication provides firsthand information to aid your institution in making crucial decisions about EFTS planning, development and marketing. You can't afford to delay receiving this vital study so, ORDER NOW!

Send your request to: Order Department, Bank Marketing Association, 309 West Washington, Chicago, IL 60606, 312/782-1442. Price $50 (Member Discount Price $25).
